Psychologist cum Child and Adolescent Mental Health Advocate.

I am a psychologist with a deep love for children and a passion for vulnerable and misunderstood children. I have a BSc. in Psychology and an MSc. in Child and Adolescent Mental Health that has aided me in having a streamlined career path. My ideal career would be one where I have daily contact with vulnerable children and I am able to make an impact in their lives. I live in Lagos Nigeria.

Skills

Monitoring and Evaluation (Workshop coordination, Program development and Community outreach)

Data Analysis (SPSS packages)

IT (MS Office packages)

Special Education (Child development, Learner assessment, Student engagement, Classroom technology, Special education, Curriculum Development, Differentiated instruction, Lesson Planning, Audio-visual aid implementation and Student-centered learning)

Work History

2019-09 - Current

Learning Facilitator

Temple Preparatory Primary School, Lagos, Lagos

- Creating intervention strategies for teaching 3 children with moderate learning disorders lessons (using Picture Exchange Communication System (PECS), songs and videos).
- Collaboration in the development of IEPs for children.
- Development of assessment tools to monitor Special Educational Needs Department (SEND) staff progress.
- Assisting the SEND coordinator in coordinating the SEN department.
- Reviewing of weekly reports from staff of the SEND.

2019-04 – 2020-01

In-house Counsellor

Mentally Aware Nigeria Initiative, Lagos, Lagos

- Offer online counseling services to clients with mental health conditions.
- Appropriately refer clients with mental health conditions to the right facilities closest to them

2015-07 - 2016-08

Field Officer

SOS Children's Villages Nigeria, Abuja, Abuja

- I was primarily responsible for supporting monitoring and evaluation of the effects and impact of the ongoing projects, expenditures and progress of projects being done by the Family Strengthening Program(FSP).
- Other tasks included preparing and maintaining a data base on the families participating in the FSP.
- Assist the project personnel with M&E tools and in supporting them in their use through participation in the day to day running of the community work embarked on by the FSP and their community based partners PCDC.
- Organizing and conducting trainings together with project staff on various topics such as HIV/AIDS, Good Educational Practices within the community
- Provide inputs, information and statistics for quarterly, annual and other reports to Project Management Team of SOS CV Abuja.
- Assist the FSP coordinator and the field officer in the preparation of progress reports on the findings and lessons learnt from projects done.
- Minutes and reports on meetings held within the community and with government officials.
- Took active role in stakeholder meetings and brainstorming sessions, promoting positive changes to project strategies and future implementations.
